Helpful Suggestions for Fitting Success

1. Bring this form to a formal wear shop for a professional measurement. It is important to be measured by a professional tailor or formal wear specialist. Please do not measure yourself.

If you need to use our Nationwide Fitting Network locator to search by city or zip code, you can go here: <http://www.tuxedofit.com>

Most shops will provide you with a complimentary measurement as an industry courtesy. As a suggestion, it would be best to have socks and a t-shirt with sleeves (not a tank top) for your fitting.

Thursday and Friday are prime times for pick-ups for events that are scheduled for the weekend. A fitting earlier in the day or earlier in the week may provide for a more relaxed fitting experience.

2. To ensure your order is properly placed, please be sure to completely fill out the form and submit it to us as soon as possible.
3. Upon submitting your measurements if you need to send adjustments, corrections, updates or just have questions about your order, you can send us an email at matt@vittoriotux.com. Don't forget to include your name, date of the event and group or wedding party's name.
4. After you have submitted your form, complete payment of the full rental cost or an initial payment of at least \$50 for rentals or \$100 for purchased items. We accept Visa, Mastercard, American Express and Discover and you can pay online at <https://www.vittorioformalwear.com/product-category/deposit-for-rental/>
5. **For wedding fittings, if you have questions about the attire selection, pricing or included accessories,** please consult the couple to verify their preference for their wedding ensemble. We are not able to make style, color or designer label changes for members of the wedding party without the couple's agreement.
6. As a helpful suggestion, keep a record of your measurements in case we have any questions, unexpected internet issues or if you have any other events in the future planned where you'll need this information. **If your weight increases or decreases by fifteen or more pounds,** it is important to get measured again and then notify us as soon as possible to make any necessary adjustments.
7. Rental pickups will occur on the week of the event, typically a day or two prior to the event date. If your items will be available sooner, we will call to let you know about availability. When you arrive at our store, we'll do a final fitting to ensure the best fit possible and if anything needs to be adjusted we will take care of it prior to picking up for your event.
